(PLAY 4x (last time AABA))

The first Couple cast off and turn the third Couple, then Sett and cast up to your own places. Then first Couple cast off, and take Hands with the second Couple and go quite round, then go the whole Figure with the third Couple and turn your Partner in the second Couples place.

four-couple set (couples 3 & 4 improper)

- A1 Ends lead in and face opposite as middles cast to nearer end and face ptn (4 steps). All set R & L, and skip a two-hand turn 1&1/2 times round.
- A2 Repeat A1. (New ends lead in, etc) The set is now upside down.
- B1 Ends cross over Rsh and move to the middle (middles wait 4 beats, and lead out). New middles half circle L and half two-hand turn ptn. The top two couples face down and the bottom two couples face up.
- B2 In fours, double figure eights. (Middles begin by casting to the nearer end as the ends cross to the middle.)

(progression 3142)

Notes

1. The original was a triple-minor longways.
2. I have treated the material freely, and omitted the final two-hand turn.
3. I have transposed the tune up a fifth.
