

BARN RAISING: Sustaining Square, Family, and Barn dances

T-Claw Crawford, Teri Rasmusson, & Doc Litchman

Whatever the billing (family dance, barn dance, square dance), this sort of series helps traditional dance make deep inroads into the general population. Why are these dances important? How do we best meet the needs of dancers aged 2 to 92? What are the unique joys and challenges of a series that's so community-based and absolutely accessible to neophytes? What successful strategies can you share? Let's talk!
